

Department of Laws

Dear Laws Student,

The '**Laws e-Mentoring Scheme**' has been designed to benefit the Laws student in their first year of study.

Under the scheme, you can make contact (via email or directly) with an A2 Laws student mentor who has completed the first year of your chosen course (i.e. Law, Politics, and/or Citizenship). The role of your Student Mentor is to assist you in your studies, answer any questions you might have and help further support the development of study skills necessary to succeed.

Please note that this is in **addition** to the support you receive from your Laws Lecturer/Teacher.

Please complete the form below and return it to your Laws Lecturer/Teacher at the end of this lesson.

If you have any questions, please email Dr Jepson at pjepson@strodes.ac.uk
